

Safeguarding and Welfare Requirement: Equal Opportunities

Providers must have and implement a policy, and procedures, to promote equality of opportunity for children in their care, including support for children with special educational needs or disabilities.

Supporting children with special educational needs

Policy statement

We provide an environment in which all children with special educational needs (SEN) are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (2014).
- We have in place a clear approach for identifying, responding to, and meeting children's SEN¹.
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns.
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEN and their families.
- We regularly monitor and review [our/my] policy, practice and provision and, if necessary, make adjustments.

Procedures

- We designate 2 members of staff to be the Special Educational Needs Co-ordinator's (SENCO's) and give/display their names to parents. Our SENCO's are: **Nicci Holmes and Sam Collins**.
- Our SENCO's work closely with our supervisor and other colleagues and have responsibility for the day-to-day operation of our Supporting Children with Special Educational Needs Policy and for co-ordinating provision for children with SEN.
- We ensure that the provision for children with SEN is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We provide a broad, balanced and differentiated curriculum for all children.
- We apply SEN support to ensure early identification of children with SEN.
- We use the graduated approach system (assess, plan, do and review) applied in increasing detail and frequency to ensure that children progress.
- We ensure that parents are involved at all stages of the assessment, planning, provision and review of their children's special education including all decision making processes

¹ This includes disabled children with special educational needs

- We where appropriate, take into account children's views and wishes in decisions being made about them, relevant to their level understanding.
- We provide parents with information on local sources of support and advice e.g. Local Offer, Information, Advice and Support Service.
- We liaise and work with other external agencies to help improve outcomes for children with SEN.
- We have systems in place for referring children for further assessment e.g. Common Assessment Framework /Early Help Assessment and Education, Health and Care (EHC) assessment.
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs Policy.
- We ensure that all our staff are aware of our Supporting Children with Special Educational Needs Policy and the procedures for identifying, assessing and making provision for children with SEN. We inform parents and link them with outside agencies if appropriate. Feedback is given to staff and volunteers if appropriate at staff meetings etc.
- We raise awareness of our special education provision via our website and or promotional materials.
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. action plan reviews, observations, staff meetings parental and external agency's views, inspections and complaints. We listen to our staff, parents and any external agencies to maintain a self-reflective practice and we seek to enhance our services regularly.
- We provide a complaints procedure.
- We monitor and review our policy regularly.
